1. As requested in reference, the following brief comments cover information on revision of DCIDs. In general, we agree that perhaps this is not the time to pursue an overall revision. The Office of Security, however, has been working for some time on the revision of the DCIDs that pertain to Security. These are ongoing efforts and timing of completion and coordination is not known. Mr. Gambino has cited DCID 7, 11, 14 and 16 as those on which rewriting is being done.

2. If you have any further questions, I would suggest you call [redacted] who is responsible for this activity in the Office of Security.
